STATINTL

Dear

Thank you for your good letter of 13 September 1965 inviting me to serve on the Remote Terrain Sensing and Evaluation Study Panel. I am afraid that my participation in the SAB over the past three years has been vanishing small, even to the point of missing all SAB general meetings. It would probably be unrealistic to hope that the press of my official duties would decrease to the point where I could give you meaningful support. Please accept my best wishes for your activity.

STATINTL

Sincerely yours,

Albert D. Wheelon
Deputy Director
